Location : Bruce Weaver Farm.
Directions will be sent upon registration.

Master Gardener volunteers are dedicated gardening enthusiasts who, because of their love of gardening, have expanded their horticultural education and skills in order to help others.

Since 1986, York County Master Gardeners have used their horticultural knowledge, abilities, and enthusiasm to teach, advise, and assist the general public on a wide range of gardening topics

Penn State College of Agricultural Sciences research, extension, and resident education programs are funded in part by Pennsylvania counties, the Commonwealth of Pennsylvania, and the U.S. Department of Agriculture.

Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing special accommodations or have questions about the physical access provided, please contact Norm Conrad at 570-966-8194 in advance of your participation or visit.

This publication is available in alternative media upon request.
